
AUGUST 28, 2017 – HOUSTON, TX

McKim & Creed geomatics crew chief Roman Villasana took his McKim & Creed truck and one of our survey vessels to help with rescue efforts in Houston.

He worked through the night, rescuing approximately 50 people from the flood waters.

Take a look...

THANK YOU, ROMAN

THANK YOU, ROMAN VILLASANA,

for embodying McKim & Creed's vision of "people helping people."

We will continue to support the people of Houston however we can.
